

Redditch Medical InSpec™ OX

Product Description

Sterile Sporicidal Preparation of Hydrogen Peroxide 6% v/v and Peracetic Acid 0.4% v/v.

General Guidance

- Use Instructions: InSpec™ OX is designed for spraying, wiping, and mopping applications. Hold spray approximately 15cm to 20cm from area to be treated. 5L versions pour into an appropriate bucket for mopping.
- Technical Data: Appearance: Colourless clear liquid with a characteristic strong acetic odour. pH 1.4. The above data is typical of normal production and should not be taken as a specification.
- Storage: Store upright in original closed containers, away from sunlight and extremes of temperature. Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet (SDS).
- Material Compatibility: Application of solutions, when used as directed, will not affect materials normally encountered in the cleanroom. See compatibility information in the Technical File.

Benefits

- One of the most effective sporicides available on the market
- All formats classed as an irritant.
- Low Hazard.
- Stabilised solution - 24 months shelf life.
- 3 months validated 'in-use' shelf life.
- Contents protected using 'bag-in-bottle' presentation with premium range.
- 1L and 5L formats available as Ready to Use.
- Multiple bags for cleanroom transfer.
- Ideal rotational partner for InSpec QT and AN.
- Manufactured in accordance with GMP.

Technical User Information

- InSpec™ OX is a sterile sporicide available ready to use.
- InSpec™ OX is manufactured to GMP in an ISO 6 cleanroom. The product is filled and capped in an ISO class 5 environment.
- The solution is filtered through a 0.2-micron filter and aseptically filled into pre-gamma irradiated packaging (25-45kGy) and tested to give a sterility assurance level SAL of 10⁻⁶.
- InSpec™ OX is supplied with Certificates of Conformity, Analysis, Irradiation and Sterility. All formats of OX have a stabilised 24-month shelf life.
- For screw cap bottles use the entire contents after opening.
